

Low Profile LJU Secondary Outlet

The low profile LJU secondary outlet allows the connection of Voice equipment such as Faxes and Telephones in rooms around the property. Constructed of tough ABS plastic the white modules feature standard fittings for ease of installation. The module features a Telephone Logo and a sliding label for identification. The sliding shutter protects the module from dust.

Specifications:

- ISO/TIA standards compliant
- Logo and sliding label for identification
- Standard size and clips featured
- Shutter protects from dust
- Dimensions W x D x H: 25 x 34 x 50mm

Subject to design changes. 04/06
