

## Empty Swing Frame

The Empty Swing Frame is suitable for the Full Size Unloaded Chassis. Constructed of mild steel and powder coated in white. The use of the Swing Frame allows easy serviceable access to equipment and connections on both the rear and front of the panel. Hinged on one side it can be secured with a screw as supplied with the Unloaded Chassis. Any ports added can be used for a mixture of Audio/CCTV/Data/Voice.

### Specification:

- Powder coated white mild steel
- Dimensions W x D x H: 412 x 28 x 399mm
