

Black/White Camera With PIR Detector

The Black/White Camera With PIR Detector can be installed in many locations, indoors or outdoors. Multiple Cameras can be switched and are then modulated to distribute the signal across a TV channel. Any TV can then be tuned into the channel for Camera viewing.

Specifications:

- Integrated passive infra-red detector
- Suitable for indoor or outdoor use
- Compact design
- Easy to install
- Dimensions W x D x H: 73 x 105 x 90mm
